

How to fill out an Entry Form

At the right is an example of how to fill out an entry form for our upcoming flower show. Each entry must have an entry card. The sample entry is for a Mister Lincoln rose to be entered as “most fragrant.”

First, look at the “schedule” to determine the appropriate division and section for each entry.

Fill in the top portion of the form. For example: Roses are Division 6, full blown Section F, and the variety is Mister Lincoln (the name of the specific rose).

You could enter another Mister Lincoln in Section A, Hybrid Tea, but **only one specimen in each section.**

To save yourself time, use address labels for Exhibitor and Address. You will need the small address labels in order to fit in the small space.

The awards section (in the middle) is for the judges’ and clerks’ use. **Please leave it blank.**

YOU MUST FILL OUT BOTH SECTIONS

On the bottom portion, fill in the division number and section letter as you did at the top.

Enter Exhibitor and Address (use another small address label).

Fold your entry up so that the Division Section and Variety in the top portion of the entry form shows, but your name is covered. Tuck the corners underneath your entry on the appropriate table (if you need help, someone will help you find the correct table for your Division).
